

Weyburn is the 9th largest municipality in Saskatchewan and has a population of approximately 11,000. The city was named the best city to live in Saskatchewan, and number two in the Prairies, by MoneySense magazine in 2016. Agriculture and oil & gas are the two largest contributors to the local economy and Weyburn is the largest inland grain gathering point in Canada. The City of Weyburn is located 110 KM southeast of Regina and 70 KM from the American border. Weyburn offers all the commercial and community services and amenities needed to live a comfortable family life. The City of Weyburn employees almost 200 staff and is governed by a 7 member City Council, with the most recent elections held in 2016.

City Manager – City of Weyburn

The City Manager, succeeding an incumbent of 20 years, has full responsibility for city operations and reports to the elected Mayor and City Council. Major responsibilities in this role includes ensuring the City Bylaws, Resolutions, Regulations, and Legislations are executed and enforced and overseeing the directing and supervising of all City employees. The City Manager assists Council in setting the direction of the City and is responsible for preparation and submission of operating, capital and utility budgets as required by Council.

The City of Weyburn is looking for an innovative individual with a minimum of 10 years' in a leadership role, preferably with prior experience as a City Manager/CAO. A university degree is considered a strong asset, as is prior experience reporting to a Board or a Council. The successful individual must possess strong leadership, communications and project management skills, as well as superior financial acumen. As the City Manager, you must be comfortable managing in a unionized environment, presenting to Council on a regular basis and have a passion for the well-being of the community.
