Mover:	_____
Jobsite location buildings are being moved to:	_____

General description of proposed move (include present and proposed structure locations) Provide a sketch of the building loaded onto the moving apparatus, with heights & sizes indicated. Ensure roof structure is shown accurately to allow a review of tree obstructions along the route. Trees are not permitted to be cut without specific approval, and then only by City Parks staff:

Date of proposed move: _____
Estimated starting time of move within Weyburn: _____
Size of structure: Width - _____, Length- _____
Height above road surface - _____ Estimated Weight _____
Maximum axle load _____
Route to be used for move (submit a map with proposed route indicated):

I agree to move the above structure only at times acceptable to the City of Weyburn, and to be responsible for any damage to City property which may occur as a result of the move. I understand that the City of Weyburn does not allow the structure to be moved within Weyburn without a police escort, and that the structure is not allowed to move within, or enter the City limits should a police escort not be available when requested. Roads may not be blocked without pre-arranged approval by the City Works department. Traffic control barricades must be provided by the applicant. The City of Weyburn can not guarantee availability of barricades, or staff to assist building moving. Any City resources provided to assist this move will be billed to the applicant at current city rates.
