City of Weyburn Update on Weyburn Group Home Society Project

On Monday, March 18, members of Council and City of Weyburn administration met with representatives from the Ministry of Social Services, Saskatchewan Housing Corporation, Weyburn Group Home Society and Terra Developments to discuss a path going forward to meet the needs of the Weyburn Group Home Society, their clients and the community of Weyburn.

To ensure a quick resolution, this application will be brought back to Council at the earliest possible meeting while adhering to the City of Weyburn's procedures and bylaws.

All parties came to Monday's meeting looking for a positive solution and left feeling that the direction going forward will get this home built in the Creeks.
