

# City of Weyburn Mission Statement

The City of Weyburn is a growing regional centre for southeast Saskatchewan, providing high quality public services and desirable opportunities for present and future residents.

## Objectives

### Regional Centre for Southeast Saskatchewan

As one of the fastest growing cities in Saskatchewan, Weyburn is a central community in the southeast region.

Weyburn is a preferred locale for public sector and professional regional head offices, providing an inventory of stable employment opportunities.

Sustainable business policies of local government gives investors confidence for future development while also maintaining the vitality of Weyburn's existing business sector.

Weyburn's proximity to Regina offers access to a wide range of supports and services.

### High Quality of Life for Residents

Weyburn is recognized as one of the more desirable places to live and work in Saskatchewan.

MoneySense Magazine named Weyburn the best place to live in the Prairies, among the top 10 in Canada and the top community to raise children west of Ontario.

Local government has a commitment to ensuring availability of adequate housing options, numerous recreation facilities, natural parks and trails.

The City of Weyburn provides public services that demonstrate pride in the community.

### Robust Agriculture and Oil Sectors

Weyburn's agricultural roots are the cornerstone for production in the region.

Positioned as one of the largest inland grain gathering points in North America makes Weyburn a vital contributor globally.

Weyburn has been long established as a central figure in the oil industry in Saskatchewan, with investment in pioneering research projects and leading-edge oil extraction technology.

Local government is seeking out a third major economic pillar to support Weyburn's current strengths in agriculture and oil.
