

One of the major barriers to sport, culture and recreation participation is the lack of information required to get involved. If you provide opportunities to be active, we will be happy to help promote your organization *free of charge* in our Sport, Culture & Recreation Directory. If you are aware of any changes in this contact list please notify the Leisure Services Department, City of Weyburn at 306 848-3281 or email tclay@weyburn.ca.

ARTS & CULTURE

Weyburn Arts Council

WAC's mission is to provide the opportunity for everyone to experience art in a fun and encouraging atmosphere. WAC's vision for the future is: to ensure that the visual arts are an integral part of the lives of the people of Weyburn and the surrounding area; that the public comes to understand and appreciate a wide variety of art forms; that Weyburn and area residents come to recognize that the arts play an important role in the lives of everyday people.
