

WHAT?

Sanitary Sewer Cleaning & Maintenance Services funded by the City of Weyburn Water and Sewer Service Connection Fund.

- The City will pay for the cleaning, unblocking and inspection of sanitary sewer connections (once per year) for residential properties within City limits.
- Costs will be covered by the City providing the work has been done by the service provider holding the **Sanitary Sewer Cleaning & Maintenance Service Contract** with the City and meets all requirements of the City's **Sewer Cleaning Policy**.

WHY?

The City's new **Sewer Cleaning Policy** allows the City to use the Water and Sewer Service Connection Fund to be proactive with sewer repairs and renewal programs.

- **Sanitary Sewer Cleaning & Maintenance Service Contract** outlines service requirements including wall to wall sewer pipe cleaning and camera footage to display the structural condition of the sewer pipes.
