Weyburn

Building Codes and Beyond

Join us for a comprehensive workshop hosted by the City of Weyburn, designed to equip participants with the latest knowledge and tools for navigating building regulations and standards.

With ample opportunities for Q&A and networking, this workshop promises to empower builders, contractors, and stakeholders in creating safer and more compliant structures for our community.

WORKSHOP HIGHLIGHTS:

- **GOVERNMENT OF SASKATCHEWAN**

Building and Technical Standards Branch (2020 Code adoption)

- **WEYBURN FIRE DEPARTMENT**

Fire safety and inspections

- **PROFESSIONAL BUILDING INSPECTIONS (PBI)**

Permit processes and inspections

- **CITY OF WEYBURN**

Permit processes and inspections
