Questions?

Contact the Engineering Department
(306) 848-3230

WHAT TO BRING

- ✓ Adhesives (glue, caulking, etc.)
- ✓ Aerosols (hair spray, bug spray, etc.)
- ✓ Automotive (batteries, antifreeze, windshield cleaner, car wax, etc.)
- ✓ Batteries (cell, auto, dry-cell, Ni-Cad, lithium, alkali, lead-acid)
- ✓ Cleaners (household, glass, etc.)
- ✓ Fuels (gasoline, diesel, kerosene, lamp oil, oil/gas mixtures, etc.)
- ✓ Oxidizers (chlorine, bleach, fertilizer, peroxide, septic tank chemical, etc.)
- ✓ Poisons (lawn herbicides, rodent poisons, weed killer, etc.)
- ✓ Pharmaceuticals (old prescriptions, no sharp or biological waste)
- ✓ Propane cylinders (barbecue or camping cylinders, etc.)
- ✓ Solvents (paint thinner, acetone, varsol, alcohol, benzene, etc.)

DO NOT BRING

- ⊗ Waste products already covered under existing stewardship programs such as paint, electronics, oil, etc.
- ⊗ Biological, infectious and radioactive waste
- ⊗ Explosives and ammunition

**Household hazardous waste is not allowed in curbside garbage bins
and should never be poured down the drain or stormwater sewers.**
